

1st NanoMaRi International meeting

~第2回ナノマテリアル研究所シンポジウム~

2024年11月14日(木) [14th Nov. 2024]

13:55-14:00 開会挨拶 (Opening remarks)

14:00-14:45 基調講演 (Keynote lecture)

Dr. Xu Xixiang (LONGi Green Energy Technology Co., Ltd.)

Prof. Yan Hui (Beijing University of Technology)

"High efficiency silicon single-junction and PVSK/Si tandem solar cell technology for tera-watt era"

14:45-15:15 招待講演【1】 (Invite presentation)

Asst. Prof. Md. Shahiduzzaman (Kanazawa Univ.)

"Perovskite solar cells: shaping the future of solar technology"

15:30-16:00 招待講演【2】 (Invite presentation)

Asst. Prof. Takuya Kurihara (Kanazawa Univ.)

"Solid-state NMR study on local structure and dynamics of Perovskite films"

16:00-16:30 招待講演【3】 (Invite presentation)

Assoc. Prof. Taro Yoshikawa (Kanazawa Univ., Daicel Corporation)

"Visible light-induced photo-emitting diamond electrode for green chemistry applications"

16:30-16:35 閉会挨拶 (Closing)

17:00- 懇親会 (Party after the meeting)

【場所】 近江町交流プラザ 4F 集会室 (近江町いちば館 4F)

Omicho Market Build. 4th floor (Shu-kai room)

【料金】 無料 (80名まで) (懇親会参加者は別途懇親会費必要)

Participation is free (Maximum 80 people) 【You need the fee for joining the party】

【登録】 下のアドレスか右のQRコードにて登録が必要です
