

Call for Applications: Assistant Professor Positions

1. Position and Qualification

1-1. Position: Assistant Professor

1-2. Number of open positions: one

1-3. Affiliation: The Cancer Stem Cell research unit in Cancer Research Core in the Institute for Frontier Science Initiative.

1-4. Role: The Assistant Professor is obliged to vigorously promote inter-, cross-, and multi-disciplinary researches.

1-5. Type of employment: Full-time

1-6. Term of office: until March 31st, 2024. (Employment is renewed every fiscal year.)

(If you are currently working at our university and work continuously, the total term of office, from the current term to the next term, cannot exceed 10 years.)

If the assistant professor position at the Division of Oncology and Molecular Biology of Cancer Research Institute is open, you can apply to this even after you are employed.

1-7. Salary and Benefits: Salary and benefits are specified in Kanazawa University's regulations. For further information, see the university's website (in Japanese):

<https://www.kanazawa-u.ac.jp/wp-content/uploads/2021/02/special1.pdf>

Position and salary are commensurate with the candidate's academic and employment experiences.

2. Research area

Cancer Research Core in the Institute for Frontier Science Initiative aims to elucidate the mechanism of cancer progression and develop new cancer therapies. The particular object of the Cancer Stem Cell research unit is to develop novel therapies targeting undifferentiated characters and drug resistance in cancer cells and to discover novel molecular targets. The task of the new assistant professor would be to promote investigations on cell cycle, cell death, oncogenic signaling, tumor metabolism or genomic vulnerability in cancers, cooperate with pharmaceutical companies and train students.

3. Arrival time at the post

At the earliest possible date on or after March 1st, 2022

4. Qualifications

(1) Applicant must be an excellent researcher who has research achievement in the research area described above and have the ability to drive his/her research project as Assistant Professor.

(2) Applicant must have a Ph.D. degree, or applicant must have research career comparable to a Ph.D. researcher.

5. Documents for application (documents must be written in Japanese or English)

- | | |
|---|-------|
| (i) Curriculum vitae | 1 set |
| (ii) Publication list (original papers, review articles, etc) | 1 set |
| (iii) Reprint(s) of main original papers [up to 2 papers] (copy is permitted) | 1 set |

- | | |
|---|-------|
| (iv) Outline of past research
(about 1,200 characters in Japanese or 500 words in English) | 1 set |
| (v) Research aim and project after arrival to this position
(about 1,200 characters in Japanese or 500 words in English) | 1 set |
| (vi) List of external research funds acquired by applicant | 1 set |
| (vii) Name and address of two researchers whom one can inquire of about applicant | 1 set |

* E-mail address and contact address must be provided in the curriculum vitae.

* Submit hard copies to the mailing address provided below. Electric data of these documents also must be submitted.

6. Deadline for application

January 7th, 2022 Time: 17:00 Japan Time (must be received no later than this time)

7. Others
